Our Sustainability Approach

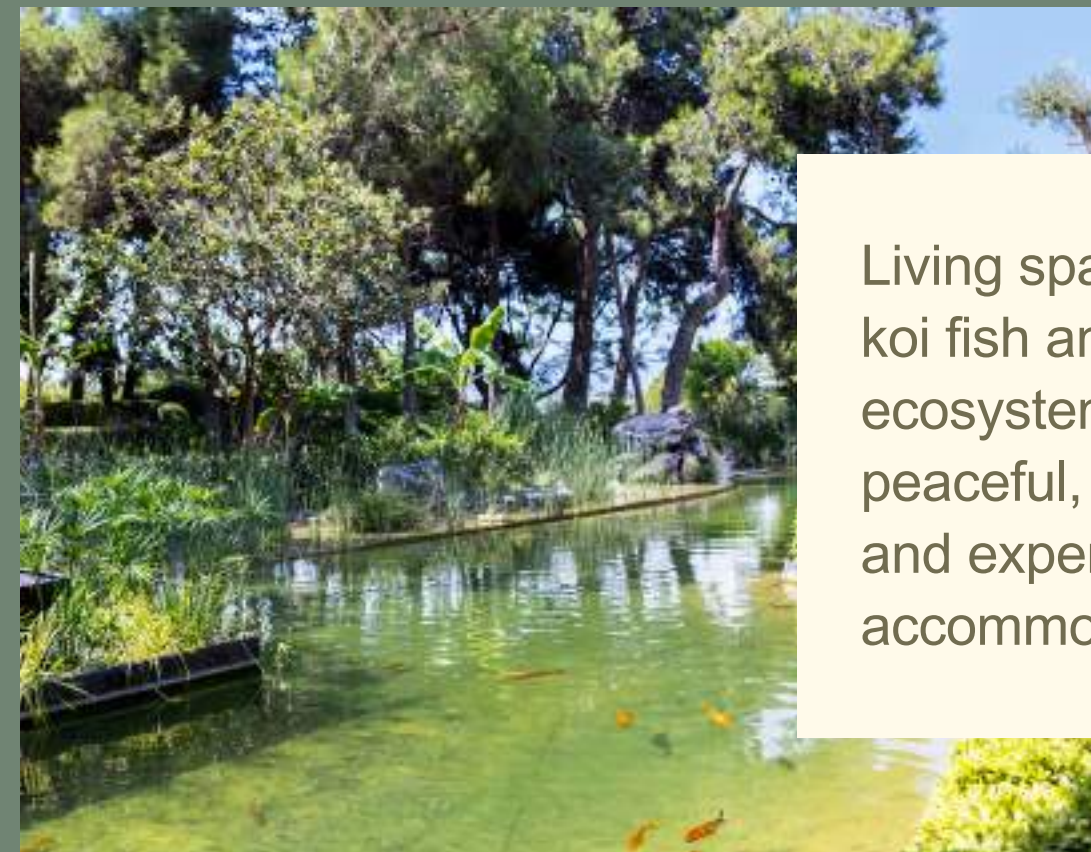

With the award-winning “Plant Era” project, the protection, propagation, and reintegration of endemic plants into natural habitats are ensured, actively supporting biodiversity.

[Sustainability.](#)

The approximately 200-year-old olive trees within the property are preserved as a symbol of our commitment to protecting natural heritage, reflecting our sustainable landscape philosophy.

Living spaces designed with koi fish and natural water ecosystems offer guests a peaceful, nature-integrated, and experience-focused accommodation atmosphere.

Feel Well, Discover Your Own Space

With accommodation options designed especially for families, we deliver a unique sense of perfection by offering the perfect harmony for every need and expectation.
